## **Anti-bullying Policy Statement**

Archers of Bridlington & Burton Agnes are committed to providing a caring, friendly and safe environment for all children and young people, so they can participate in activities in a relaxed and secure atmosphere. Bullying of any kind is unacceptable in our group/organisation. If bullying does occur, all children and young people should be able to tell someone and know that incidents will be dealt with promptly and effectively. We are a **TELLING** group/organisation, this means that **anyone** who knows that bullying is happening is expected to tell the Welfare Officer (Jo Stubbs) of the Club, or one of the committee members.

### **What is Bullying?**

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim.

Bullying can be:

**Emotional** – being unfriendly, excluding, and tormenting (e.g. hiding personal belongings, threatening gestures)

**Physical** – pushing, kicking, hitting, punching or any use of violence

**Racist** – racial taunts, graffiti, gestures

**Sexual** – unwanted physical contact or sexually abusive comments

**Homophobic** – because of, or focusing on the issues of sexuality

**Verbal** – name-calling, sarcasm, spreading rumours, teasing

**\*Cyber** – all areas of the internet, such as email & internet chat room misuse, mobile threats by text messaging and calls, misuse of associated technology, i.e. camera and video facilities

### **Why is it important to respond to bullying?**

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Children and young people who are bullying need to learn different ways of behaving and may well have serious issues themselves, which affect their behaviour.

Archers of Bridlington & Burton Agnes have a responsibility to respond promptly and effectively to issues of bullying, in order to carry out their duty of care to safeguard all children involved in Archers of Bridlington & Burton Agnes activities from harm. All children have a right to protection, and the needs of disabled children and others who may be particularly vulnerable must also be taken into account.

- Cries themselves to sleep at night or has nightmares
- Feels ill before coming to the group/organization

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

## **Procedures if bullying is suspected**

If bullying is suspected, the following procedures should be:

- Report bullying incidents to the Welfare Officer or a committee member
- In cases of serious bullying, the incidents will be recorded by the welfare Officer
- In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem
- If necessary and appropriate, police will be consulted
- The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
- Reassure the victim that you can be trusted and will help them, although you cannot promise to tell no-one else.
- Keep records of what is said (what happened, by whom, when).
- Report any concerns to the Archers of Bridlington & Burton Agnes Welfare Officer Jo Stubbs

An attempt will be made to help the bully (bullies) change their behaviour by:

- Talk with the bully(ies), explain the situation, and try to get the bully(ies) to understand the consequences of their behaviour. Seek an apology to the victim(s).
- Inform the bully(ies)'s parents.
- Insist on the return of 'borrowed' items and that the bully(ies) compensate the victim.
- Impose sanctions as necessary.
- Encourage and support the bully(ies) to change behaviour.
- Hold meetings with the families to report on progress.
- Inform all organisation members of action taken.
- Keep a written record of action taken.
- Look at supporting the bully(ies) with any issues they may have, link in with existing support services in your area

## **Outcomes**

- The bully (bullies) may be asked to genuinely apologise and sometimes other consequences may take place
- In serious cases, exclusion from the group/organization may be considered
- If possible, the children and young people will be reconciled
- After the incident/incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place

## **Prevention**

We will use methods to help children and young people prevent bullying, as and when appropriate. These may include:

- Writing a set of Archers of Bridlington & Burton Agnes rules
- Signing a behaviour contract
- Using the creative arts such as: writing stories or poems, art, drama and music etc.
- Reading stories about bullying
- Making up role-plays
- Having discussions about bullying and why it matters

## **Support to deal with the aftermath of bullying**

- Consideration should be given to the kind of support that children, parents and members of staff or volunteers may need.
- Consideration should also be given to what kind of support may be appropriate for the alleged bully (ies)

Use of helplines, support groups and open meetings will maintain an open culture and help the healing process. Some useful organisations are:
